Greetings Fellow Accounting Faculty

Your GAAE officers have been hard at work planning your 2017 conference in Savannah GA. The conference promises to provide you an opportunity to learn, to network, and to renew/establish friendships. We hope that you will use this as an opportunity to relax and recharge your batteries. Why not stay the entire weekend and take a much deserved “mini-vacation.” The marsh, the river, the cool breezes provide such a calming respite from the daily pressures of our demanding schedules. The weather is perfect year round, and temperatures in February are usually mild enough to enjoy most activities.

Now that I have you thinking of the coast, why not submit your presentation proposal now to ensure your spot on the program. You are the key to the success of the conference. Every year I walk away with new ideas, energized and motivated to try something new in the classroom. Attached to this email is the Call for Proposals. Please complete this form at your earliest convenience and email to me at maliece.whatley@armstrong.edu.

Thank you for your participation and I look forward to hearing from you soon.
